Project of a modern villa in one of the best areas of Dénia, San Juan. This is a single-family home on two floors, with 185. 50 m² built on a plot of 800 m² with views of Montgó. The property has been designed to be highly accessible and will feature high-quality natural finishes. The wooden exterior finishes lead to the large porch, which is oriented toward the mountain and will include a barbecue and pool. Inside, the new kitchen-dining room concept is designed to create a comfortable, modern, and fluid space. Dénia, named Creative City of Gastronomy by UNESCO, has a coastline of 20 km that hosts numerous beaches divided...(Ask for More Details!)
