489m²

770m²

Modern villa project nestled in one of the most exclusive areas of Calpe, this stunning modern design villa offers an incomparable living experience, where luxury and comfort are perfectly combined with a privileged natural environment. From its elevated location, the views of the Mediterranean Sea and the majestic Peñón de Ifach become a daily spectacle, framing every corner of the property with an infinite blue horizon. With a built area of 489 m² on a plot of 770 m², this property has been conceived with a contemporary architecture that maximises the entrance of natural light and the connection with the exterior. Its open and well-distributed spaces create an atmosphere of (Ask for More Details!)
