1,500m²

2,500m²

Just outside Valencia, in the peaceful hills of Torrent, lies a rare 1,500m² private estate that feels more like a personal sanctuary than a home, a world of sweeping valley views, endless terraces, an infinity pool that melts into the horizon, and beautifully designed spaces that flow effortlessly from grand entertaining rooms to intimate suites and a full guest apartment. With room for multi-generational living, wellness retreats, creative studios or simply a life lived with freedom and privacy, this extraordinary villa offers unparalleled scale, tranquillity and possibility, a Mediterranean escape where every detail invites you to slow down, breathe deeply and imagine the life you could create here
